BOARD APPROVED SUBSTANTIAL BUDGET AMENDMENT

by KIMBERLY BLAKER

The Huron Township Board held a special meeting on August 29 to review a budget amendment. Administrative Financial Assistant Karen Carney distributed to Board members a Budget Amendment Resolution and briefly reviewed the adjustments.

Substantial increases in expenditures in the general fund included an additional \$13,000 to Township Clerk, \$13,000 to Township Hall and grounds, \$108,000 to the building department, \$18,000 to rubbish collection, \$26,000 to senior citizens, \$131,000 to the recreation department, \$240,000 to capital projects building improvements, \$183,000 to retirement benefits fund, and \$35,000 to compensated absences fund.

Substantial increases in revenues included \$10,000 in cable franchise fees, \$133,000 in building licenses and permits, \$181,000 in federal

grants, \$98,000 in state revenue sharing, \$71,000 in planning commission fees, \$240,000 in LDFA administrative fees, \$50,000 in interest income, \$20,000 in other revenues and a decrease in revenues of \$17,000 in the federal/state projects fund.

Carney said the building department's increase in revenues was a result of changes to its fee structure. With the changes, Carney anticipates the building department will break even and could possibly result in a surplus, which hasn't been seen in years.

Trustee Nora Adkins asked where the surplus would go.

Trustee Mary Lou Carey suggested that the building department should begin to pay its share of administrative fees to the general fund.

Trustee Larry O'Kelley also asked what was the overall budget increase. Without a calculator, it was estimated to be a 27-percent increase. O'Kelley

expressed concern over such a large budget increase. He asked the feasibility of seeing regular budget amendments throughout the year so as not to incur such substantial increases at one time.

Carney pointed out the difficulty in determining adjustments before the first half of the year. Then, she said, it also takes time to gather information and put together an amended budget. Carney pointed out that the regular duties in her department take up most of the department's time and that finding time to amend the budget more frequently would be difficult.

Treasurer Jarrod Barron concurred with Carney.

O'Kelley still insisted on the need for more frequent adjustments. Other Board members commented that with additional staffing that was recently approved for the accounting department maybe Carney would have more time

to put together budget amendments.

Also on the agenda was the contract for the position of Director of Planning and Zoning. Clerk Dawnette Bowers told the Board that former Director Leslie Meyer was in the Hall that day and said that she wouldn't be returning to Huron Township.

Bowers recommended contacting the Michigan Municipal League for the hiring of a new Director. The MML was used in hiring the new police chief last year. The Board approved the recommendation.

Carey suggested that Larry Nix of Williams & Works be contracted for assistance until the Board finds a replacement for Meyers.

Supervisor John Mitchell expressed concern over the distance Nix would have to drive and suggested finding a local business.

Adkins asked, "Can't we at least ask him about it?"

O'Kelley suggested turning to John Chihan. However, Carey commented she would feel better about going to a professional firm.

Adkins motioned to go out for bids for the temporary services of William & Works.

Carey commented that the reason she felt William & Works would be the best candidate is because of the length of time Nix had been involved with the Township and his familiarity with what's happening in the community.

O'Kelley then added that if Nix isn't interested, the Township will contact the remaining master plan applicants for the temporary service.

The motion was carried with Barron and Mitchell opposing. Barron said he felt more bids should be sought and that McKenna & Associates be asked for a bid.

SMART START GRADUATION

by GEORGETTE HERON-WILLOUGHBY

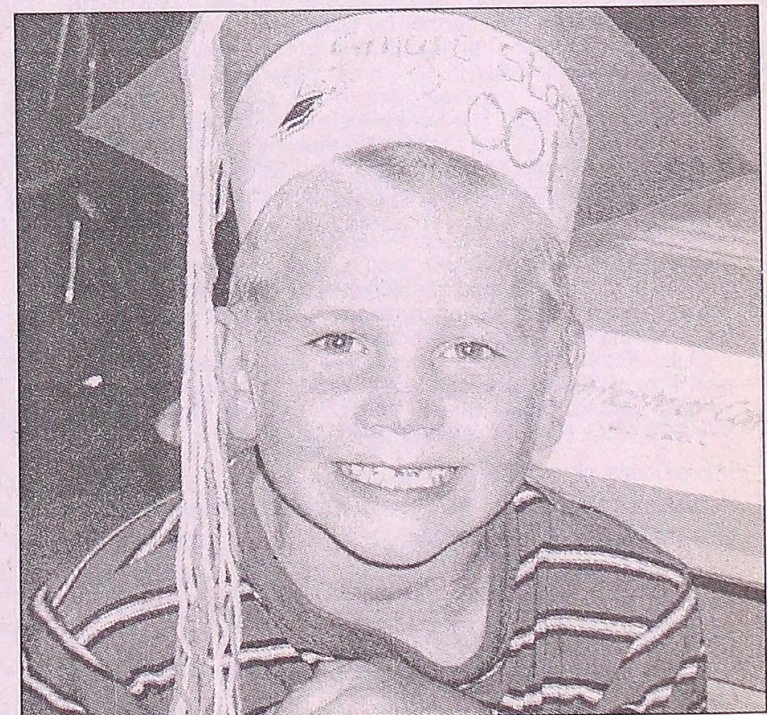

One hundred or so very proud parents, grandparents and siblings packed the gym of the Sterling Elementary in Carleton. They were there to witness the graduation of 193 students in the Smart Start Program.

According to one of the program coordinators Gina

Russell, Smart Start is doing quite well after its fourth year. The three-week program is on a half-day schedule and it allows students to get a jump start on the new school year. Russell along with Betty Rosen-Leacher have structured the curriculum so that students learn at a comfortable level by using practical information and smaller class sizes with four teachers for 20 students. Work circles were formed in each class with subjects like Language Arts,

Math, Science, Art, etc. All were age appropriate so the students learn at their own grade level.

Graduate Byron Bruck, six, says he has been in the program for two years and enjoys the work groups and recess, of course, but he also feels that it has made him smarter and more prepared for the school year. Bruck also added that his teachers made the work fun and easy so he will be returning next year.

Food should be fun for kids. All you need is a little creativity to make them enjoy eating their lunches again.

Pizza is everyone's favorite but it isn't always easy to heat it and it isn't as good cold. This sandwich has a similar character but it is good cold.

WALKER OF IRISH DESCENT SETS HER SIGHTS ON IRELAND

Sandy Dunne wants to walk all the way to Dublin, Ireland and she hopes some of her friends and neighbors will support her cause.

This 32-year-old Carleton resident has set her sights on raising \$4,800 to take part in a marathon in Dublin, Ireland for a reason much more important than the personal challenge the completion of 26.2 miles represents. As a member of the American Diabetes Association's TEAM Diabetes, Sandy is committed to continuing the fight to find a cure for diabetes.

Although Sandy has a brother-in-law and two Uncles who are diabetic, she is dedicating her walk to her friend's granddaughter, Brandi Boythe, who was diagnosed with Type 1 Diabetes at the age of eight. For three years now she has endured daily insulin shots twice a day and numerous painful finger pricks to test her glucose level. Although she looks like a normal and active 11-year-old girl, diabetes has become part of her daily rou-

tine. It is her hope to honor Brandi and her strength as she walks this race testing strength, perseverance and commitment. When Sandy made the commitment to train she did not know the devastating news that her own 12-year-old nephew can look forward to also becoming a diabetic brought on my muscular dystrophy.

The money raised will go towards diabetes research, so the 16 million people who have this disease can be victorious in their race against diabetes. The money raised through TEAM Diabetes helps fund research and educational program. Anyone with diabetes will tell you that finding a cure through research is their top priority. Diabetes afflicts 16 million people, one third of whom are undiagnosed and caused an average of 180,000 deaths each year. More women die each year from Diabetes than from breast cancer. Even with these statistics, researchers believe that some day a cure will be found.

Sandy will be selling raffle tickets at the Flat Rock Riverfest and she is hosting her major fundraiser, a Dinner Dance for Diabetes. Tickets must be purchased in advance and anyone interested can contact Sandy at 734-587-2044 or her sister, Shelly Pluchino at 734-789-8803.

MGM HOSTS MEN AT WORK

by GEORGETTE HERON-WILLOUGHBY

Once again the MGM Grand Casino brings the best to Detroit. The 80's rock group

Summer Nights Under The Tent series.

Only two original members remain with the group. Lead

Men At Work were in top form for their show at the casino's singer Colin Hay and the multi-talented Greg Ham

along with three new members put on a show that overwhelmed everyone within earshot. The group cranked out the best they had to offer and so did Mother Nature with a warm summer night to enjoy it all.

Men at Work came up from down under in the 1980's with a big hit right out of the gate. Their single, Who Can It Be Now exposed them to the world. Their first album, Business As Usual had some

of their best all time hits, Who Can It Be Now, Be Good Johnny and Down Under among other greats. Greg Ham happened to mention that the group is working on a new album due out next year.

On the personal side, Colin Hay is originally from Scotland, but Greg Ham is truly an Aussie. Both live a comfortable life in Melbourne, Australia. Ham was actually going to be a lawyer when he joined the group, but with all o

the musical talent he possessed, he decided to follow his passion. He sings as well as plays the sax, keyboard, harmonic and other various instruments. He is also the father of two young children and they keep him busy.

I neglected to mention the staff at the MGM Grand is top notch. Public Relations and Communications Manager, Yvette Monet has been a great hostess to the staff of *The Huron River Weekly*.

CAREER DAY

For Career Day I went to Eastern Michigan University in Ypsilanti, Michigan. When the bus got there we got off and went and sat to wait for

our tour guide. When she came we had to wait for two other schools. Since they were running late we went without them. When we started our

tour of the campus we first went to one of the lecture halls, it had about 300 seats in it. While we were there a guy named Andy spoke to us about what kind of grades you need to get into college, he also spoke to us about scholarships. He told us that there is a scholarship for just about anything. You can even get a scholarship for being left-handed! Another thing we did that morning is walked to the recreation center, in that building there was five floors, we walked up to the fourth floor, on that floor was an Olympic-sized pool, exercise rooms, a basketball court, and a track that we got to run on. On the bottom floor of the recreation center there were Racquetball Courts. Then we walked to the Library, which was three stories tall, in the basement it's all computers that you can go on, that part of the library is open until two o'clock in the morning. On the computers you can find a book and click on it, then a claw will find the book in the back and send it on a conveyor belt that leads up to the counter so when you go up there it's ready to check out. The top floor of the library has glass walls so you can see out of them. After that we went to eat lunch at the eateries and they took five or six people down at a time to look at the dorm rooms while we were waiting to eat. After lunch we went to a room where all of the middle schools that were there were and we got to do "Student Panel" where we got to ask about seven different college students questions.

I had a great time!

Your Cosmic Link For The Week Of September 13th thru September 19th

Virgo Aug. 24 - Sept. 23

Birthdays come and birthdays go. Don't worry next year will be here soon enough along with all the grey hairs it brings. Remember some things can't be covered up. *Lucky #4018.*

Libra Sept. 24 - Oct. 23

Show off! Like anyone believes that story. Best to have proof before say too much. Ask spouse or friend for help with special project. Buy snow shovel next shopping trip. Rake leaves soon. *Lucky #4995.*

Scorpio Oct. 24 - Nov. 22

Some say you are the real show off. Others know why. New house on property — sigh of relief. Find antiques close at hand. Not to sell at this time. Put away for rainy day. Be ready to entertain. *Lucky #4141.*

Sagittarius Nov. 23 - Dec. 21

How did that happen? Someone will ask. Just smile — say "Don't know." Prepare for Fall rides thru colors but clean surroundings first. Time to clean mind as well. Remove cob-

webs with care. *Lucky #4911.*

Capricorn Dec. 22 - Jan. 20

Ask and you shall receive. Well how about giving for once. Spouse hard nut to crack but eventually all surfaces give way. Patience wins out. Help relative with needs. They helped you. *Lucky #4016.*

Aquarius Jan. 21 - Feb. 19

The writing's on the wall. Dates on calendar explain all or did you forget to call someone again. Be thankful of other's understanding especially old dog. Small child at side. *Lucky #4123.*

Pisces Feb. 20 - Mar. 20

Weekend comes too soon again. Put final touches on Fall projects

before winter howls. Ask friends for help if know they can. Be ready to give hand to others, or are you too tired? *Lucky #4395.*

Aries March 21 - April 20

Could be worse? Maybe but how? Look to skies for answers. Dig into soft dirt. Plant for next Spring. Always look ahead. Close door to unwanted events and on boss. *Lucky #4283.*

Taurus April 21 - May 21

Ok! You are forgiven. You know others may talk but they don't know truth. Ask reliable source. Be ready to travel at a moment's notice. Small children delight you. *Lucky #4374.*

Gemini May 22 - June 21

Horoscope

William Grover

Secrets are out. All positive feedback. Time passes swiftly so enjoy the present. Special moments add up. Ask friends for help but be prepared to go alone. Some things never change. *Lucky #4761.*

Cancer June 22 - July 23

What is this new attitude? Some like many don't. Look inside for answers. May be best not to ruffle too many feathers, unless you are the chicken. Maybe time to crow. *Lucky #4984.*

Leo July 24 - August 23

Family and friends. Friends and family. Who causes most grief? Some questions best not answered. Prepare special meals for others. Don't forget to eat yourself. See smiles, smile back. *Lucky #4432.*

It seems the builders on Merriman Road forgot to call Miss Dig! Oops — Big Mistake.

All is peaceful in Huron Township. Wonder how long it will take someone to start trouble. Not me — I'm enjoying the peace and quiet.

Apple Charlie is beginning the big season. Check out our favorite local band, Joe Prater and his Boys. They will be playing there every Sunday through September and October. Keep your eyes open for future information concerning the Halloween Talent Contest sponsored by South Huron Orchards and *The Huron River Weekly*.
